

CALOPTIMA HEALTH COVERED: A COVERED CALIFORNIA PLAN MADE FOR OC

CalOptima Health Offers Plan Options With Benefits and Support

CalOptima Health Covered is a Covered California plan made for Orange County so you can continue to live a healthy life the way you want.

CalOptima Health Covered plans are affordable options that include prescription drug coverage, virtual care, preventive care and mental health services.

Reasons to Choose a CalOptima Health Covered Plan

Local Expertise

CalOptima Health has been serving Orange County residents for more than 30 years. Our team lives and works here, so we understand what our community needs and can provide services to you in your preferred language. Interpreter services are available to you at no cost.

A Network You Can Trust

CalOptima Health offers access to Orange County doctors, specialists and hospitals you know and trust. Through Covered California, **CalOptima Health Covered** plans include affordable Health Maintenance Organization (HMO) options with health networks and doctors to choose from.

Convenient Access to Your Medications

CalOptima Health Covered plans make it easy to fill your prescriptions close to home, while you're traveling or through the mail. Our pharmacy network includes more than 450 pharmacy locations throughout Orange County and more than 26,000 pharmacies nationwide. We also offer free home delivery of medications in easy-to-use daily dose packaging.

\$0

Preventive Care

**Financial assistance
available for lowering
your costs.**

Programs That Support Whole Health

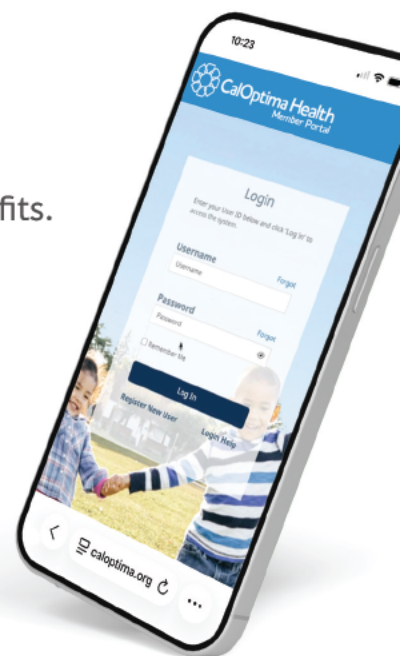

Your health is about more than doctor visits. **CalOptima Health Covered** plans support your overall physical and mental well-being.
